Join the Southern Boone Chamber of Commerce for our 1st Annual Business Showcase and Job Fair! The event will kick-off the evening of May 9, 2024, at 5:30 p.m. with a guest speaker - *Amanda L. Quick, (founder of Amanda L. Quick Coaching and Small Business Cultivator - the type of business coach who believes that business ownership can be simple and not be run alone)* followed by presentations of Business of the Year Award and Eagle Award, and networking while enjoying appetizers/drinks and music.

The Business Showcase event begins at **9 a.m.** on Friday, May 10, 2024. The theme for this year's Showcase: **Monopolize Your Business; Monopolize Your Future.** During the event, businesses and employers will showcase everything from products, services, job opportunities, and continued education. This will give attendees the opportunity to learn, sign up for new services, apply for positions, and generate good networking contacts for business and personal use. This year we will also be inviting Southern Boone High School students, Ranken Technical School students, and nonmembers to participate and see what being a Chamber member is all about!

Admission to the event is free and open to the public. Everyone is invited to attend! We hope you will join us in making this 1st Annual event a success and enjoy making new connections through the Chamber.
